Product Description

STIHL RMA 7 RV Push Mower

Built with pros in mind, the STIHL battery-powered RMA 7 RV push mower features 2-in-1 side discharge and mulcher functions. Designed with a 72 V brushless motor for energy efficiency, the RMA 7 RV is built to take on tough jobs and long run times. While the mono-comfort handlebar features height adjustment to optimize user comfort, the HMI display comes with integrated STIHL Smart connector 2 A with Bluetooth®. Designed with durability in mind, the aluminum housing includes a front and bumper skirt, while the 2-in-1 system allows users to choose between the mulch and side discharge functions with ease.
