Product Description

STIHL AZA 760 Stand On Mower

This battery stand-on zero-turn mower offers big league cutting performance and run times of up to eight hours or 21 acres On A Single Charge™—along with exceptional cutting quality with a 60" mowing deck.

Take on tough work with the biggest AZA 700 Series mower in the STIHL lineup, featuring a 24 kWh battery for up to eight hours or 21 acres of mowing On A Single Charge™. Exceptional blade-tip speed, combined with the extra-wide 60" fabricated steel mowing deck, makes this machine a true beast for the professional user, giving performance comparable with or better than many of its gas counterparts. With the ability to convert between stand-on and walk-behind capabilities, this mower is made to take on a wide range of mowing applications. The knee and hip pads provide cushion, and a non-slip tread plate provides additional stability, making the STIHL AZA 760 a comfortable and highly professional ride.
