Product Description

STIHL AZA 752 Stand On Mower

Offering professional power for up to 21 acres On A Single Charge™ with a 52" wide, commercial-grade mowing deck, this battery stand-on zero-turn mower is designed for high-performance cutting.

Get the high-performing professional power you need and none of the exhaust emissions with the STIHL AZA 752 featuring a 24 kWh battery for up to eight hours or 21 acres of mowing On A Single Charge™. The highly durable, seven-gauge 52" fabricated steel mowing deck allows users to cut a wide swath, while the exceptional blade-tip speed offers optimal cutting performance. With the ability to convert between stand-on or walk-behind capabilities, this mower is made to take on a wide range of mowing applications. The knee and hip pads provide cushion, and a non-slip tread plate provides additional stability—making the STIHL AZA 752 a comfortable and highly professional ride.
